The Hydraulic Investigation fee of **\$100.00** for **(1) ONE connection** is for administrative costs. In addition, a **\$1,000 deposit** is required to cover additional engineering and professional fees associated with your request. If professional fees are less than the deposit, the remainder of the deposit will be refunded. If professional fees exceed the deposit, the applicant is responsible for reimbursing the city. This is not a service agreement, only an application for a feasibility study. The location of connection is subject to approval by the City of Riesel.

A time of three (3) weeks should be allowed for engineering work-ups and mailing. Any decision made by the City Engineer will be final. Due to the demand for water meters, the meter must be installed within 90 days of approval. After the 90 days a new application and fee will be required.

I, the undersigned, attest that the property to which this study is applicable is not part of a division for property.
